

## **NOTICE TO INVESTORS & CREDITORS**

Notice to Investors and Creditors of Bayou Offshore Master Fund, Ltd; Bayou Offshore Fund A, Ltd; Bayou Offshore Fund B, Ltd; and Bayou Offshore Fund C, Ltd (the "Companies")

On 2 September 2005, G. James Cleaver and Gordon I. MacRae were appointed Joint Provisional Liquidators ("JPLs") of each of the Companies by orders of the Grand Court of the Cayman Islands.

The JPLs are independent officers of the Grand Court, and their functions include locating and securing the assets and investigating the affairs of the Companies, for the ultimate benefit of investors and creditors of the Companies. The JPLs are currently working with their counsel to take steps to have their powers recognised by the U.S. Courts.

To assist the JPLs in their duties, investors should provide the JPLs with full details of all transactions with the Companies, including date of subscription(s), amount(s) invested, date of any redemption(s) and amount(s) redeemed. Any other information in your possession in relation to the Companies that you believe may assist their enquiries should also be forwarded. Creditors should provide details of their claims against the Companies.

This website has been set up by the JPLs and publicly available information and updates will be posted here.

For further information and enquiries, please contact the JPLs using the following email address – [bayouenquiries@krollcayman.ky](mailto:bayouenquiries@krollcayman.ky). All enquiries should be addressed to Eleanor Fisher or Di Wardle.
